Community Council Meets next Friday by Theresa Engebretsen

All parents are invited to attend the Community Council Meeting on Friday, Jan. 27, 2017 at 1:00 pm. We have much to discuss! It is time to start thinking about the Talent Show/ Pie Auction fundraiser that is quickly approaching, on February 17th. As we approach our meeting, maybe start thinking about how you might be able to assist this event this year. No contribution is too small, but we do have a few key roles to fill.

Joy O has taken a full time subbing position, so we need someone to head up the talent show portion. This involves organizing the tryout sheets, managing the tryout (during the lunch hour) and the dress rehearsal. Joy will be available the night of the event to keep things back stage running as usual (thanks Joy!). Arwen mentioned she would be interested in helping make this happen (thanks Arwen!). We also need someone to head up the business fundraising phone calls, or we can split them between all of us. If you are a room parent, you will be calling parents to bring pies/ cakes.

This is one of our primary fundraisers, and we have quite a bit of work to do on the front end of it to make it a success! Please try to make this meeting if at all possible. Many hands make light the work!

Family Math & Science Night – Thursday, Feb. 2nd

Mark your calendar and plan on joining us for the great family event. There will be several Math or Science stations to explore and the Star Lab will be set up in the library. Plan on joining us on Feb. 2nd from 6:30 – 8:00 pm.
