

DRAGON TALES

Countdown to the Holiday– 25, 24, ...

01 Dec 17

The only way we can keep up with all the activities and great things that are happening at McNeil Canyon over the next three weeks is to make a list and check it regularly. So many special traditions and learning opportunities will occur in the next fourteen days of school that checking the list twice may not be enough to make sure you do not miss out.

Students across all the grade levels have been preparing diligently for their individual and collective parts they have in the Winter Music program that kicks off this flurry of activities next Thursday evening. The very next day is Writer's Workshop, an opportunity for all students to share some of their great writ-

ing with peers. Add to that the excitement of gingerbread cookies, soup-kit making and mini-workshops and you have all the makings of some great fun and wonderful opportunities for getting into the holiday spirit.

In just 20 calendar days, the first semester of this school year will be over and students will be headed home for two weeks of well earned vacation. McNeil students have really been working hard on all of the assignments and activities that teachers have been planning and guiding them through.

Happy Holidays and thanks to all of you for your wonderful support of McNeil Canyon School.

Helping Others

The Student Council is sponsoring “**The Helpful Holiday Tree.**” Beginning Monday and continuing through December 15th, they are collecting gloves and travel size toiletries (like you get in hotels), to be given to homeless kids in our district. Please bring these items and hang them on the Helpful Holiday Tree or place them in the boxes under the tree that is in the school lobby.

We are collecting non-perishable food for **Share the Spirit** to use in the holiday food and gift baskets they provide to local area residents in need. Canned items or other non-perishable food can be brought to school and placed in the boxes under the Christmas tree.

Once again we will be making dry bean soup kits for the **Homer Food Bank**. We are asking each student to bring two cans of stewed, diced, or whole tomatoes, (14.5 oz. size), to include in these soup kits. Please bring them to school by Monday, December 11th. Thank you for your generosity!

After School Cross Country Skiing

We are hoping to start our Skiing program on Mondays after Winter Break. We need parent helpers every Monday once the ski program starts. How many helpers we have will determine how many skiers we can have. Currently we have 5 parent helpers so that means only 25 students will be able to sign up for skiing. Permission slips will be sent home next Friday.

We also need a parent who can help with snack during skiing. This would be every Monday starting January 8th and continuing till March 5th (weather dependent).

Please contact Joanna at jgreene@kpbsd.org or call the school office if you can help with either of these things.

Coffee with Superintendent Dusek

On December 7th at K-Bay coffee Superintendent Dusek will be available to share some coffee with Homer community members from 9:00am to 10:00am. This is an opportunity for the community to meet with him and discuss their perceptions of the schools and school district along with any input on budget, programs, and/or priorities.

He plans on having regular coffee available in carafes (not going to be able to spring for lattes or espressos, just sticking with the old school coffee...).

Bottled Water Available at McNeil

McNeil Community Council is selling Ohlson Mountain Mineral Springs bottled water as a fundraiser. The cost is \$10 plus a \$10 refundable deposit per bottle. You can buy your water on Thursdays from 2:30—4:00 pm at the first shed. Please bring exact change or pay by check. Thank you.

This is a new project so we would appreciate your feedback on what days or times you think might work better. If you would like to volunteer to sell water on a certain day/time every week, please contact the school office.
