### **Science Fair**

Science Fair is Wednesday, April 25, 2018! We are expecting a great turnout. Students need to bring their project to school with them that morning and will set up their displays first thing. After that, they will be called out a few at a time to be judged by our Science Fair Judges.

The actual "Science Fair" part will take place in the afternoon between 1:00 and 2:30pm. Parents and community members are invited to come and see all of the great entries during this time. Students will be standing by their displays to answer questions as the other students, parents, and community members browse through all the displays.

**All projects will be cleaned up in time for dismissal at the end of the day. Students will be expected to take home everything at this time. If you need to arrange for transportation, please do so.**

### **Spotlight Lunch**

April Spotlight Students and their parents are invited to join Mr. Swanson for lunch on Thursday, April 26, 2018. Parents can meet their students by the dragon at 11:45 am. We hope to see you here!

If parents plan on eating a hot lunch, please notify the school office ahead of time so our cook can prepare enough food. Also, please come prepared to pay for your hot lunch. (An adult lunch is \$4.25 plus 60 cents for milk.) Our cook is not allowed to take money from a child's account for an adult lunch. Thanks for your help!

### **Safe Kids Fair and Bike Rodeo**

This great annual event will take place on Saturday, April 28<sup>th</sup> from 10 am to 2 pm at Homer High School. The Bike Rodeo is from 10 am to 1 pm. Check it out! There will no Summer Activities Fair at Paul Banks this year so this will be your opportunity to also sign your kids up for upcoming summer activities.
