

Help Us Welcome Our New Faculty Members!

We are excited to announce that we will be welcoming three new staff members to our McNeil Canyon team! The process of meeting, interviewing, and vetting the candidates has been a wonderful one. These new faculty members will bring their own strengths to our small school, and have been attracted to McNeil Canyon's academics, warm environment, and our commitment to the visual and performing arts, along with our strong community.

Margaret "Maggie" Hutchison will be joining as our new 2nd/3rd grade teacher, Cheryl Tolman will be our new 5th grade teacher, and Susan Cooksey will be our new 6th grade teacher.

These talented teachers look forward to becoming part of our community and working with our students. We are delighted to welcome them to McNeil Canyon Elementary School.
