

McNeil Canyon Elementary

Site Council Meeting

04 Sept 18

Members Present: Pete Swanson, Matt Hakala, Eric Engebretsen, Susan Cooksey, Kristi Baum, Mark Marrette, Joy Overson and Anne Love.

Members Absent: None

Others Present: None

The meeting was called to order at 3:40 pm.

Discussed Site Council responsibilities for new and returning members. Reviewed an example of site council involvement in last year's bus changes. Went over current student numbers. Originally projected at 116 and are currently at 119. We are anticipating one more student coming to McNeil at the end of September. Looked over history of student numbers over the last 7 years.

School Development Plan: Personalized Learning in Wave 2. A Review/walk through is coming up in the later part of September. In November, there will be another opportunity to have a walk-through and review what has been implemented in the classroom such as learning centers/station rotations. We are also applying more technology where teachers can see student results along with any achievements or gaps that need to be addressed. The district is moving away from written curriculum/books and moving towards online instruction.

By-laws:

Looked at updated by-laws and history of Site Council and Community Council. Discussed our non-profit group orientation. Pete shared the purpose of site council as a platform if needed.

Budget:

Reviewed process of student fund money each semester.
